

Ramonol White

A white lithium soap based grease

Technical Data Sheet

Application

Suitable for use in all conventional grease applicators. Suitable for stern gland and steering glands, bearings, seacocks, winches, furling gears, outboard and inboard motor controls and general industrial and automotive greasing. Compatible with most other lithium greases.

Properties

Ramonol White is formulated with a special whitening additive in high quality lithium soap grease. It is very water resistant, inhibits corrosion and has good adhesive properties, making it ideally suited for marine applications.

PROPERTIES	UNITS	RAMONOL WHITE
Product code	-	68213
Base oil type	-	Mineral
Thickener type	-	Lithium soap
Colour	Visual	White
Penetration 60W, 25°C	mm	265 - 295
NLGI Consistency Class	-	2
Drop point (minimum)	°C	180
EMCOR corrosion test salt water	-	1 max
Water resistance 90°C	-	1 max
4-ball weld load	Kg	300 min
Working temperature range	°C	-30 to 150

All values are typical and there maybe batch variations.
